The Monticello

To the high ideals that thou
hast called us
We pledge allegiance strong
and true;
And own a love that e'er will
deepen,
Thomas Jefferson, for you.
And as we look into the future,
Whate'er our destinies may be,
O, Alma Mater, we will cherish
Fond memories of thee.

We love thy teachings and
traditions,
The things no books can ever
give,
For thou hast shown a deeper
meaning,
Thou hast taught us how to
live;
And we are glad to be thy
children,
To toast thy future worth and
fame,
So sing we now to Thomas
Jefferson,
God's blessing on her name.

THE COLOR GUARD SALUTES OUR SCHOOL'S 25TH ANNIVERSARY

Steps of Progress

On this, the silver anniversary of Thomas Jefferson High School, we take time to reflect on the past twenty-five years of progress. The high school of 1930 with its 800 students and limited extra-curricular activities has grown in 1955 to a school of 1,864 students with activities to fill the need and inclination of every student. Each event in the growth of this educational institution has carried it one pace farther up the steps of progress. Using this stairway as a symbol of achievement, we are striving to portray the essential advancement that helps make our students well-rounded individuals and exemplifies the ideals of Thomas Jefferson, the great builder. Thus an amazing example of educational progress is set forth in The Monticello of 1955.

Writing are Norman Scher, Beverly James, and Mary Burfoot Phillips, with Mr. Jarman looking on hopefully.

Twelve of the original thirty-three members are still on the teaching staff, which now numbers eighty-six.

ADVICE TO COLLEGE-BOUND SENIORS

Mrs. Mozelle P. Bennett, senior counselor, spends many a busy hour working with students, preparing them for the future by giving efficient guidance, a skill acquired over years of counseling. Here, Mrs. Bennett discusses the aspects of life at V.P.I. to Jimmy Hartz, who, along with many others, is undecided about the future.

Some important additions to Tee Jay's curriculum were distributive education in 1937, cadet corps in 1942, and driving education in 1946.

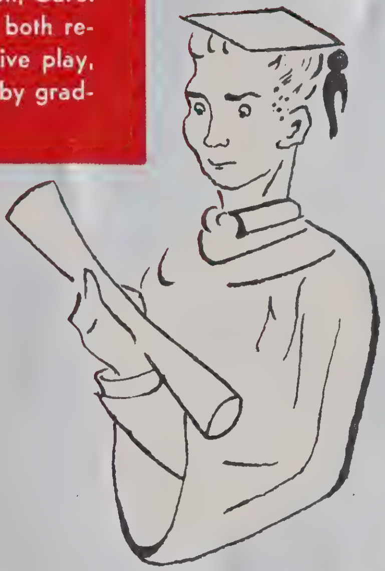
"Miss Jeff" and Her Court, Who Reigned Over the T. J.-J. M. Game

SENIOR CLASS

SOPHOMORE YEAR—Students who had ninth grade at Binford and Chandler finally join our class at beginning of our sophomore year. Frank Call, Anne Moss, Pat Forrest and Carter Lane are elected to lead the class. Energetic class members conduct paper drive. In October, we have a sophomore dance in the "rec" hall—lots of fun! We are willed the "lucky stars" by the class of 1952 in June.

FRESHMAN YEAR—Few freshmen enter Thomas Jefferson in September, 1951. Thus we begin our four-year scrapbook. Frank Call, Anne Moss, Pat Forrest, and Kitten Swaffin are elected frosh officers. Mr. Joe Uram is elected class sponsor. April 25, 1952, 175 freshmen attend picnic at Bryan Park.

SENIOR YEAR—Seniors reach 100% membership in class drive in one day. Officers this year are Bert Sikkelee, Wade Adams, Kay Alderman, and Jack Gravins. Beverly Oliver is elected Miss Jeff to reign over the T. J.-J. M. football game. T. J. beats, 14-13. Edith Sheppard and Frank Call are elected Queen and King of the Junior-Senior in December. Officers of the Student Participation this year are Frank Call, Beverly Oliver, Pat Henderson, Carol Freeman, and Tommy Doub. For first year Tee Jay has both recording and corresponding secretaries of S. P. Seniors give play, "Arsenic and Old Lace". Class picnic in June is enjoyed by graduating seniors. At last comes graduation—June 11.



JUNIOR YEAR—Junior year opens with a boom! We are the first junior class to have 100% membership. Elizabeth Beazley and Carroll Farley are chosen as junior cheerleaders. Our Junior Stunt Night, "At Ease", is a big success and is presented for first time in history of Tee Jay for two nights. Junior-Senior dance in December is lots of fun, and a big crowd attends. In the spring we present two microphones to our school. Leading our class this year are Charles Gurkin, Kitten Swaffin, Pat Henderson, and Pat Mahony.

IN PROGRESS

JUNIOR CLASS COUNCIL—First Row: Tommy Womble, Ann Perkins, Miss Sue Beaman, Carol Faison, Dick Hansen. **Second Row:** Larry Riddick, Judy Johnson, Alice Joyce Dix, Fontaine Jones, Jackie Good, Suzanne Carter. **Back Row:** Lovelace Bishop, Dickie Decker, Fred Andrews, G. STEPS OF PROGRESS IN THE CLASS OF 1957

The sophomores, twenty-one homerooms strong, have been ably led through 1954-1955 by George Baskerville . . . Mrs. Garna Kraft, class sponsor, has wisely counseled the sophomores in work and in play . . . The annual sophomore paper drive has amply repaid the class for the effort put forth . . . That the class can efficiently organize for fun and frolic has been shown at the sophomore dance held at the school March 25 . . . The sophomores have a commendable record for classroom achievement as indicated by their number on the honor rolls and have demonstrated the true Tee Jay spirit in extra-curricular activities . . . The class has been represented in the Senate this year by Millard Jones, Kitty Chappell, and Ben Eldridge.

Setting up Tee Jay's Calendar

This organization has a very necessary and important role in the planning of school functions. It prevents conflicts in the activities of our various clubs, classes, and athletic groups. The S. P. officers and S. P. sponsors, class presidents and sponsors, together with representatives from the publications, cadet corps, and music groups, make up the board. This board holds regular meetings every second Tuesday of the month. Mrs. Brumble, the sponsor and Frank Call, the president of the S. P., head the organization. The B. O. C. sets dates for social events, sports events, and club meetings of various kinds. The group then draws up a calendar of school events for distribution.

The Federal Principle...

Every day during third period the Senate, the executive body of the school, hums with activity. It is composed of twenty-three members, the majority of whom are elected for the year by their classes. The exceptions are the officers, who are elected in a school-wide election. Tuesday sees the Senators industriously at work in their weekly business meeting. At these meetings many questions very important to the school are discussed and acted upon. On other days the Senators have meetings of their special committees that operate only when necessary. They also see that the standing committees headed by them, which operate continuously through the year, are functioning properly. The

At Work in Tee Jay

Senate sends two representatives to the City Federation of Student Councils, which meets twice each year. It is also represented at the State and National Student Council Conventions. Under the excellent guidance of Mrs. Brumble and Mrs. Plunkett, the Senate endeavors to solve the problems of the school so far as the Student Participation Association is concerned. The highlights of the year are the spring elections when officers are chosen with all the political trimmings—speeches, publicity stunts, and campaign posters . . . This year the Senate had a part in planning and carrying out two Parent-Teacher Association programs, having to do with teen-agers and their problems.

Government . . .

"Democracy in action" is characteristic of the House of Representatives. Each member, chosen for the term from his homeroom on the basis of character, leadership, good conduct, scholastic records, and willingness to serve, knows that he is the link between the student body and the Senate. It is his responsibility to carry suggestions from homeroom members to the House, where action may be taken. Thus each student is enabled to voice his opinion for measures to improve the school. Meeting the first and third Monday afternoons of the month, the group works to voice the opinion of the student body for the betterment of the school. Beverley Oliver, vice-president of the student body, has served as president of the House; Milly Millhiser, as secretary; Walter Emroch, as sergeant-at-arms; Martha Hinkle and Jackie Shahda, as City Federation members . . . This group has done a great deal to solve

problems arising throughout the school during the year. The members gain invaluable leadership training and practice citizenship as they learn the principles of parliamentary procedure and cooperation . . . Among measures receiving favorable action this year was one calling for the posting on the school bulletin boards of a monthly calendar of events and one calling for price tags on the items of food in the Tee Jay cafeteria. A good example of a special service of the House this year was the conducting of a student opinion poll on examinations, in response to a request from the student body. The House also carried on in the homerooms a "get acquainted" campaign by explaining each month a different phase of student participation . . . Interest of Tee Jay students in the successful operation of the school has done much to promote good understanding between faculty and students.

Training in Leadership

The Council of Homeroom Presidents endeavors to strengthen the homerooms, which are the basis of our Student Participation. They also strive to inform the students of the various activities throughout the school. This council meets once a month to consider problems brought up by students in the homerooms. Helping each homeroom president conduct successful and efficient meetings in his homeroom is another duty which is carried out. This year the council has worked hard trying to promote the success of the school's newly formed Parent-Teachers Association. The Council of Homeroom Presidents is presided over by the president of the Senate and is sponsored by Mrs. Brumble of the Student Participation.

Highlighting the Pledge

Suggesting programs for the homerooms is a method by which the Character Committee accomplishes its purpose. These programs are based on the high ideals of honesty, courtesy, self-control, cooperation, and obedience to authority that are expressed in the school pledge. Promoting school spirit and arousing student concern in the school and its progress are also aims of the committee. A steering committee composed of students from the different classes, headed by Lauretta Bailey, Senate chairman, and Miss Elizabeth Beaman, sponsor, plans the committee programs. Each homeroom is represented at the meeting, and members are familiarized with the programs that they will present in their homerooms.

Hands Across the Sea

This year, with internationalism as the theme of the Forum, students interested in history and current events have furthered their knowledge of the peoples of the world and their relationships. The members heard notable talks during the year. Miss Eileen Edmondson, Tee Jay's exchange teacher from England, told of English schools; Lise Hartvig, an exchange student attending Westhampton College, spoke on life in her native Norway; Mrs. Cauthen, a former missionary born in China, described the customs and contrasts within that country; and Jack Welch, gave an account of his experiences abroad. Another activity is a trip to some place of interest to students of current affairs.

Guide for Daily Living

To promote Christian activities in the school has been the purpose of Tee Jay's Christian Youth Club, organized in 1953. Each morning devotions are held before students go to their homerooms, to give them a time for quiet thought and prayer for the day. Hymns are sung and members of the club speak, with someone giving a thought for the day. At the regular meetings held each Friday there is a guest speaker. These have included missionaries, ministers, and directors of Christian education. Just before Christmas the club joined with the Character Committee to sponsor the auditorium carol singing.

Through talks by prominent business men, followed by field trips, the Business Education Club attempts to acquaint its members with employers' points of view. In addition, the group has former club members return and tell of their experiences as employees in the business world. In their lighter moments the club also enjoys socials and picnics.

Heads for Business

The Distributive Education Club provides the members with a means of learning vocational opportunities in their field. The club also seeks to develop leaders among its members. Jane Webb, Dale Whitehorne, Stuart Collins, and Peyton Grymes have been the officers for the year, led by Mr. Ayres, in charge of distributive education in Tee Jay.

Representatives of the various organizations that are officially recognized by the school administration make up the Club Affiliations Committee. This group strives to increase interest in the smaller clubs and to assist in the organization of new ones. The committee, sponsored by Mrs. Plunkett, also attempts to aid in solving problems of the clubs.

Reading Together . . . Working Together

To broaden their knowledge through literature and to spread enthusiasm for books throughout the school is the object of the members of the Book Club. Under Miss Esther Singleton's sponsorship and the guidance of the officers, the club this year promoted "Book Week", participated in the Children's Book Council, and submitted reviews to the Declaration.

Tee Jay's day begins with announcements to the homerooms at 8:45 A. M. over the public address system, an essential part of the school's routine. When the members of the Radio Committee are on the air, they strive earnestly to achieve clearness and accuracy. The notices inform the student body of meetings, contests, sports or anything else of interest.

On the Air and in the Spotlight

To reward and honor those devoted to the advancement of dramatic arts in secondary schools is the purpose of the National Thespian Society. The members of the Thomas Jefferson chapter, 741, have earned their membership not only by their talent on stage, but by their backstage and community work as well. Mrs. Josephine Kritzer sponsors the chapter.

Showing films for teachers, mimeographing teaching materials and tests, and keeping recorders and projectors in proper order is the work of the Audio-Visual Staff. This group, working under a sponsor and a junior and senior assistant, not only is a valuable aid to the school, but gives the members important knowledge of audio-visual machinery.

Labor Behind the Scenes

Reflecting credit on the Stage Crew, the stage in Tee Jay auditorium is always clean, orderly, and neatly arranged in preparation for assemblies and special programs. Each period during the day, under the guidance of a student supervisor, two specially trained members of the crew perform the task of keeping the stage in readiness for use.

Serving with a Heart

Bright new ideas for Junior Red Cross work this year must be credited for the most part to Miss Helen Botto, new sponsor. With her guidance and aid the group, practicing good citizenship, responded unusually well for work at the Richmond Chapter House, McGuire Veterans Administration Hospital, and the Medical College Hospital. There has been this year the usual assembly program and the beautifully decorated baskets at Thanksgiving. The officers, Fran Markel, president; Sandra Cheatham, vice-president; Martha Hinkle, secretary; Mary Lou Maphis, treasurer; and Pat Mahoney, Senate chairman, led the council, after the successful enrollment drive, in a year of hard but most rewarding work.

Inspired Music Makers

The bell rings! There is a rush for instruments, and the orchestra is again beginning its daily rehearsal. Conducted by Mr. Frank Wendt, the orchestra participates in many activities, such as the Virginia All-State String Orchestra, the Community Chest, and various school functions. The annual spring concert highlights the year, and later the orchestra joins with the vocal groups to present the spring operetta. A highlight this year has been the bassoon concerto, played by Donald Charnock, delighting everyone. Along with serious study of music by eager students, there is much fun and laughter in orchestra period . . . Annually officers are elected from the orchestra to help Mr. Wendt in his duties.

Friendship, Fun . . .

To create, maintain, and extend throughout the school and community high standards of Christian character is a duty and responsibility of Tee Jay students. It is the purpose of the Hi-Y clubs to set a good example of clean living and sportsmanship in the school. The Hi-Y members assume duties in order to help their school and their fellow students. At lunch time the Hi-Y boys are on duty in the cafeteria and "Rec" Hall to watch the lines and maintain order there. In order to raise money the Hi-Y clubs sell programs at all Tee Jay's home football games and sell drinks after other games . . .The programs of the Hi-Y clubs consist of a business meeting followed by a guest speaker, a movie, or some

other constructive activity. These clubs sponsored a very successful Victory Dance this year after the John Marshall-Thomas Jefferson football game, the dance being held at the Mosque Ballroom. Needless to say, with so much purposeful activity, the influence of the Hi-Y clubs is felt at Tee Jay. The clubs have been under able leadership this term. In Hi-Y 1 Bobby Moore has been president; Harold Reagan, vice-president; Jimmy Whitfield, secretary; Bob Dunnington, treasurer; Bernard Barrow, sergeant-at-arms; Charles Irby, chaplain. Door to Good Citizenship

Developing initiative and leadership, providing experience in living and working together, and striving for useful citizenship are the main purposes of the Key Club, an international organization sponsored by the Kiwanis Club. All nominees for membership in the club must be of good character, possess leadership ability and have a good scholastic standing. Under the supervision of Mr. C. G. Pembroke, Kiwanian sponsor; Mr. Harry Woody, faculty sponsor; and its capable officers, the Key Club continued to progress this year, selling pencils printed with the basketball schedule and helping to maintain order in the "Rec" Hall at recess. President has been Jimmy DeVoe. Patti Powell has been "sweetheart" of the club.

In the "Sportlight"

Here is a group of athletic girls who are emphasizing sportsmanship, arousing interest in, and encouraging participation in school activities. This club, sponsored by Miss Edith Todd and headed by Carolyn Ayers, is composed of sophomore, junior, and senior girls who play one varsity team, one junior team, or two of the third teams. The girls have sponsored the Cafeteria Committee, and each year the club contributes from the proceeds of the previous year useful equipment for girls' athletics. The goal of the club is to develop and extend throughout the school and community high standards of integrity and to make Tee Jay a better place for clean thinking and living with the observance of sportsmanship.

"Thou Hast Taught Us How to Live"

For everyone who attends the special National Honor Society assembly, the occasion is solemn and impressive. Not only does a sense of pride and satisfaction fill the hearts of those seniors who are tapped, but also a worthy goal is set for the underclassmen, who are deeply impressed by what they see . . . Those qualified for membership in the society are rated by the entire faculty, and the faculty Honor Society Committee, headed by Mrs. Barbara Robinson, makes the final selections . . . Initiates can well be proud of their attainment, for to achieve this high honor one must have a "B" average in his subjects and must possess the four qualifications stressed in the society: scholarship, character development, leadership, and service. Any student meeting these requirements must look back on his days at Tee Jay with satisfaction and pride.

In Nostra Honore . . . On our Honor

Students who qualify as honor study chairmen sign a pledge and take an oath to carry out their duties faithfully. There are usually two or more chairmen for each study, who carry on their tasks without a teacher present. They keep the roll and sign library permits for the members of the study, and they see that the study is conducted well.

A Song in Their Hearts

The Thomas Jefferson A Cappella Choir, composed of eighty voice students, sings all types of music from jazz to classical. This year the group sang for many community functions. In April the choir gave a spring concert with the orchestra. In May the group presented Sigmund Romberg's operetta, "New Moon", with Tony Damerel as student director. The "Jeff-Ettes", a girls' quartette from the choir, appeared on various programs and also did some extracurricular singing. Kathleen Hicks, Jackie Stevens, and Tucker Jones, three of the choir's soloists, won respectively the Frankie Lane, the Eddie Fisher, and the Youth Parade Contests during the year.

Where Silence Is Golden

Interested students who devote one period each day to aiding the librarians in their many duties compose the Library Staff. The staff members work alternately at the desk. Here some receive and check out books, file cards, and give general information to pupils. Members are given varied library tasks so that they become familiar with all phases of the work. Staff members find enjoyment in their work while gaining valuable experience. . . The staff has a business meeting at the beginning of each term and a planned program at the end of each term. Beverly James has been president of the staff this year, while Carol McAnally and Susan Payne have served as secretary-treasurer.

The Soul of Harmony

The Girls' Glee Club directed by Mr. Alton B. Howell, takes part in many school activities. This year the group participated in the "Messiah" and the spring concert. On Fridays the class is given over to student talent programs, in which students appear in instrumental, solo, and ensemble performances. The officers of this section are as follows: president, Ruth Thompson; vice-president, Ann Perkins; secretary-treasurer, Jackie Good. The section leaders are Elizabeth Hill, first soprano; Jane Clarke, second soprano; and Nancy Gordon, alto . . . Aside from vocal activities, the club discusses musical radio and television programs.

Laurels for Journalists

Quill and Scroll, an international honorary society, was organized to reward outstanding journalists. The society's seven aims—truth, loyalty, enlightenment, opportunity, initiative, leadership, and friendship—are impressed upon each initiate by a solemn candle light service. Requirements for membership are a year's work on a school publication, a scholastic average of B, membership in the junior or senior class, and recommendation by the adviser of the publication on which the student works. Named this year the Ellen Glasgow Chapter of Quill and Scroll, the Tee Jay society has striven to promote the highest ideals in school journalism. Officers this year have been Macon Carter, Barbara Lewis, Mary Anne Williams, and Nancy Eubank.

The aim of the Jeffersonian Literary Staff is to gather all the local news, plan the paper, write the stories, and see that the school is well informed of events within the school or connected with the school. The work is done during the fifth and sixth periods, and after school.

The sports department has to have, in addition, a few "early bird" sessions in order to cover the latest athletic events.

Seniors hold all the higher positions on the staff, excepting that the members of the journalism class serve as reporters. Photographers and typists may be members of any class. A few sophomores come after school to proofread copy and to begin learning the inside story of the paper. In their junior year many of these

students take journalism and put this practice to use . . . Miss Estelle Tankard is the adviser, and the staff is headed by Frank Miller and Aubrey Brown, editor-in-chief and literary editor, respectively. . . . The photographers of the Jeffersonian have their own equipment and develop the pictures they take for the paper and for the Monticello . . . The Jeffersonian was well represented this year at the meeting of Columbia Scholastic Press Association, held at Columbia University, where the paper won medalist rating. Delegates representing the paper were were Anne Baker, Barbara Worrell, Bunky Miller, Jean Davis, and Emilie Anderson. The Jeffersonian was also represented at the meeting of the Southern Interscholastic Press Association in April.

The Proper Approach . . .

The Advertising and Circulation Staff, advised by Mrs. Thelma Bryant Hutton, promotes the business end of the Jeffersonian. The Advertising Staff is composed of a manager, an exchange editor, and a group of copywriters and solicitors. The manager makes up the advertising layout for the pages, gives assignments to the solicitors, and handles the filing and billing. The exchange editor has contact with school newspapers all over the United States, in Japan, and in Alaska, in order to give and receive

information and new ideas. The solicitors contact local business concerns, and the copy writers work with the advertisers in preparing the desired copy. In the past several years the staff has won high recognition from the Columbia Scholastic Press Association. The important objective of the advertising department is to train students in the proper approach to business problems. The Circulation Staff, which handles all duties pertaining to subscriptions, is divided into three groups: fifteen captains, sixty-one

lieutenants, and the managers. At the beginning of each semester the Circulation Staff promotes a drive for term subscriptions of seven issues for sixty cents. Money, taken up by the lieutenants from their homerooms, is collected by the captains on Tuesday and on Friday when the paper is not distributed. This staff also handles the mailing list for alumni of the school and complimentary subscriptions. In March of this year the Jeffersonian Advertising Staff won the third highest rating in the nation at the Columbia Scholasic Press Associaion Convention at Columbia University in New York City. Last year the Jeffersonan was well recognized at the Southern Interscholastic Press Association Convention, held at Lexington Virginia. The Jeffersonian is represented by delegates at these conventions each year.

Magic Words

At the opening of each term, you are haunted by four little words. First of all you hear them over the P. A., next you see them on posters in the hall, and finally you hear them from your English teacher. What are those magic words? WRITE FOR THE DECLARATION! Thus the literary staff of the magazine launches its term's work. To produce a magazine of this quality the staff must carefully evaluate, select, and edit material. "Characters" must be counted to determine space, and the "dummy" must be made. All these time-taking jobs must be accompanied by extensive publicity work.

Sales Talk . . .

In the fall of 1954, the Business Staff of the Declaration, with Miss Nancy Gary as adviser, launched a program for the production of the winter issue. With enthusiasm each member set out to acquire two "ads". Result—the goal was reached! Mary Ann Williams, business manager, worked diligently to arrange the "ads" attractively. Mary Turner, circulation manager, paved the way for a successful circulation campaign. Without the assistance of the teachers, who took orders for the maga-

A Goal Reached

zine in the English classes, this could not have been possible . . . In February plans were set up for the spring Declaration, followed by a production and circulation campaign no less successful than that of the fall term. . . . As always, with an eye to business, the staff sponsored a rummage sale to finance the trip to the meeting of the Southern Interscholastic Press Association.

Progress in Pictures . . .

The ultimate goal of the Monticello Literary Staff is to produce for the school the best annual possible. In attempting to achieve this goal a great deal of hard work is done, and much time and energy are spent by all staff members. With the help of the Business Staff, an appropriate and workable theme must be chosen. In order to obtain necessary and accurate information, questionnaires must be distributed to individuals and organizations desiring to be represented in the book. Copy from various groups must be revised and edited by the staff.

Each page for the book must be drafted in a complete dummy, and the art work to be used throughout the book must be prepared. To identify persons in

each picture and to caption and crop each picture to be used is in itself a tremendous job and one that requires the aid of every staff member . . . The Monticello is represented each year at the Columbia Scholastic Press Association and the Southern Interscholastic Press Association . . . The hardworking staff is more than rewarded in the great satisfaction it experiences when the book finally appears at the gala spring banquet. On this festive occasion the next year's staff is announced and positions on the staff assigned. Excitement reigns supreme at the first glimpse of the new Monticello. Immediately plans begin to take form for making the next year's annual even better than this year's book.

Dollars

The Monticello Business Staff has an exciting and interesting task set aside for them each year. In order to have the Monticello ready for the eager students, the staff members must secure advertising contracts from various merchants, take junior, senior, and organization pictures, arrange and compile "ad" proofs to be sent to the printer, and solicit sales for the annual. Under the expert guidance of Miss Gray, the work is accomplished with relatively few difficulties. Every Friday a business meeting is held in 107, and members discuss advertising contracts, the budget, and practices of the business world, acquiring knowledge which will prove useful to them in the future . . . At the annual banquet in the spring, both the literary and

business staffs are duly rewarded with the premiere presentation of the year's annual. Also at this eventful banquet the next year's staff appointments are heard, and new members are welcomed. As a reward for excellent service, eligible juniors and seniors, meeting scholastic requirements, are recommended for membership in Quill and Scroll . . . Each year the staff sends representatives to both the Annual Convention of the Columbia Scholastic Press Association, held at Columbia University, New York City, and the Annual Convention of the Southern Interscholastic Press Association, held in Lexington, Virginia. The delegates return eager to put into practice new ideas for the improvement of the next year's annual.

Laboratory Labors

A laboratory assistant's main duty is to relieve the science teachers of some of the more monotonous aspects of their work. Such duties as unlocking desks, arranging specimens and materials, setting up equipment, running errands, and caring for the stock rooms are delegated to them. These helpers, who give one period per day to the work, often give aid to students. With three or four assistants in each "lab" every period, some of them also have time occasionally to read, do homework, or go to the library. The biology and chemistry "lab" assistants are under the sponsorship of Mrs. Browning and Miss Gill, respectively. The assistants consider themselves fortunate in getting this training.

Growth through Fellowship

Y-Teens are junior members of the Young Women's Christian Association. The goals of the Y-Teens are to grow as persons, to grow in friendship with all persons, and to grow in the knowledge and love of God. Two activities this year included service projects for the Volunteer Service Bureau and for the Methodist Orphanage. Other activities were bowling and swimming parties, a panel discussion on dating, a tour through an industry, and a trip to the National Y.W.C.A. Vesper Service in Washington, D. C. Mary Lou Hagen presided over Triangle I this year and Peggy Rayburn, Triangle II.

Mascots Patsy and Ronnie and Those Cisco Kid Balloons

Inspired by the new cheer, introduced by head-cheerleader Carroll Farley, our peppy cheerleaders spirited the Big Red Teams on to many victories. Elizabeth Beazley, co-head cheerleader, worked tirelessly with Carroll in guiding the cheerleaders in their numerous duties—painting posters, selling shakers, and declaring "Red and White Days" before the big game with John Marshall . . . The traditional clash with J. M. was again celebrated with many festivities. Beverly Oliver was crowned "Miss Jeff" at the bonfire, sponsored by the cheerleaders, on the eve of the game. Also reigning over the game were eight princesses: Lauretta Bailey, Barbara Baumes, Pat Forrest, Pat Henderson, Ann Peterson, Kitten Swaffin, Mary Faith West, and Ellen Wray. . . . Mr. Allison, adviser, gave invaluable assistance to the cheerleaders as they chartered buses for the out-of-town games. The Jeffs were lucky to have a little brother-sister team for their mascots in the persons of Becky and Ronnie Duggan. . . . There was another "first" this year in a squad of junior varsity cheerleaders, led by Patti Powell and Jimmy Greathead. Those selected were Betty Allan, Cheryl Ahern, Sara Ellen Flowers, Beverly Kersey, Bobbie Reynolds, Pat Simmons, Joanne Watkins, and Beth Weaver. Patti and Jimmy will lead next year the varsity cheerleaders in yells and songs of victory.

Shincrackers of '55

In a winning season the girls' varsity hockey team was led by letterholders Marilyn Bambacus and Nancy Blunt. The Lady Jeffs were downed only twice, won four games, and were tied three. The shincrackers suffered a heartbreaking loss to Manchester and a loss to St. Catherine's. The junior varsity ended the year with seven wins and a loss to St. Catherine's.

At the Virginia Allied A Tournament, Jean Perkins won a place on the first team, Nancy Anderson and Nancy Eubank, on the second team while Irene Bambacus and Ann Hite received Honorable mention. Managers Sue Ware and Jean Harris deserve much credit.

Touchdown Thrills

Opening their 1954 gridiron campaign, the Jeffs encountered a spirited Andrew Lewis team at Salem and took a 13-7 victory from their fumbling opponents. At Parker Field the Big Red and White won a 27-0 victory over Petersburg. Costly mistakes by Alexandria's George Washington eleven and alert defensive play by the Tee Jay squad brought a 28-14 victory. The Presidents at Hurricane Hazel-hampered Hampton defeated the Grabbers 21-7 . . . In their first intercity contest the Belt Liners took on a strong Hermitage eleven before a crowd of six thousand at City Stadium. Tee Jay, holding a 7-6 lead until the latter part of the last quarter, fell behind on a fourth down T. D. pass. This turned out at the end of the season to be the play that kept Tee Jay from winning another State Championship. At Arlington the Jeffs tripped the Washington-Lee Generals 19-7. Facing an always troublesome Hopewell team, the Big Red and White overcame the Blue Devils 25-6. Tee Jay, host to the Warwick

The Belt Liners and their cross-town rivals, John Marshall, collided at City Stadium in a thrilling gridiron encounter, in which the Jeffs racked up a triumph by a 14-13 count . . . With shoulder pads and helmets hung up, guard Frank Call, end Jack Gravins, and fullback Tom Lansinger made the All-City and All-Central District eleven. Call and Lansinger also made All-State and All-Southern teams.

After capturing the Central District title from John Marshall in a play-off game at the Arena, the Jeff cagers entered the State Group I Tournament, facing an always dangerous Newport News five. Finding it hard to hit in the final quarter, the Red and White team was overcome 52-48 . . . In the regular season play, the Jeffs compiled a 17-4 record, 12-1 against Central District foes. Leading the Jeffs was Jimmy Whitfield, finishing with a 17.1 average. Hurt by the midseason loss of Jimmy DeVoe and Jack Gravins, the team was also hampered by injuries to Bolling Langhorne and Bob Parker. Losing two games to George Washington of Alexandria and one game each to E. C. Glass and John Marshall, the Belt Liners handed defeats to other opposition, although they had to go into overtime twice to capture victories over Hopewell and Petersburg, whom

they had soundly defeated before . . . After going down in defeat in the first two games between the Jeffs and Justices, the Belt Liners came back in the second game at the Arena to capture a one-point victory on a stolen ball and layup by Charles Irby, from where they went on to defeat the Justices in the playoff to become Central District champs . . . Among Group I squads over whom Tee Jay took victories in both games were Highland Springs, Hermitage, and Lane, all of whom were Central District victims, plus Maury and Hampton representing the Eastern District . . . At the close of the tournament, when basketball jerseys were hung up, the coaches selected leading scorer Jim Whitfield as a member of the All-City Squad. Whitfield and Irby won places on the first All-District team, and Whitfield was selected for a place on the second team All-State.

Consistent Cagers

The girls vying for positions on the varsity basketball team this year had another goal in mind—a chance to play in the Tenth Anniversry Varsity-Alumnae Game. Held in honor of their coach, Miss Mildred Brame, the exciting game climaxed the season, with the varsity edging the alumnae 47-41 . . . Tri-captains Jackie Collier, Nancy Blunt, and Joann Farr led the varsity forward to a winning season during the regular scholastic play. Their impressive record of six wins was marred by only one defeat, that at the hands of St. Gertrude's. Honored at the All-Prep Tournament, were four Tee Jay varsity players. Janet Harwood and Jane Myers, both sophomores, were placed on the All-Prep first team, while Joann Farr and Jackie Collier won positions on the All-Prep reserve team. Only three of the team will be lost through graduation this year.

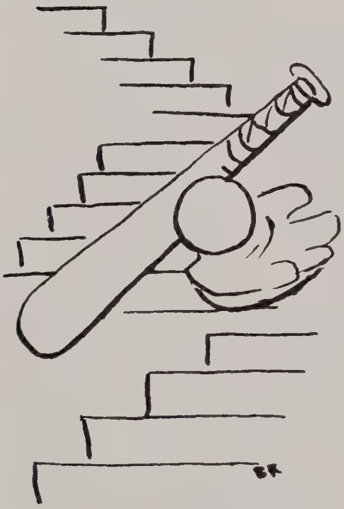
Softball Femmes



Having games scheduled with Petersburg, Hopewell, St. Catherine's, Manchester, and Midlothian, the softball team early this spring began practicing diligently on the diamond in front of the school. About twenty girls, forming the A and B teams, with base coaches, held practices every Monday, Wednesday, and Friday. Under the watchful eye of their alert coach, Miss Mildred Brame, the lady sluggers worked long and hard to perfect their various skills and to develop a team equal, at least, to the best of former years. Bringing plenty of enthusiasm with them, five letter holders, Leslie Hughes, Pat Simmons, Nancy Gilliam, Carolyn Taylor, and Betty Grigsby, returned to the team this year. Leslie Hughes was chosen captain of the squad. The interest, perseverance, and skill of the femmes is to be rewarded near the end of the season in May when a presentation of awards is planned to honor the outstanding members of the team.

Square Play on the Diamond

The Big Red sluggers opened the spring 1955 season with a wild triumph over Hermitage, 11-4, as "Bus" Langhorne held the Panthers for his and the team's opening victory. The tide, however, changed, as the Jeffs' errors helped John Marshall pile up an 18-7 victory. After bowing down to a strong Wave nine, by a late rally the Jeffs sneaked by Hopewell in a 1-0 thriller, with Spiegel hurling the nip and tuck shutout. Led by shortstop Gravins and pitcher Langhorne, the Jeffs handed St. Christopher's a 6-3 defeat on the Saint's diamond. The Benedictine Cadets, although cracking out only two safeties off Spiegel, capitalized on the hits and an error to whip Tee Jay 3-0. Superb Irish hurling made the difference between victory and defeat. In a second encounter with Hermitage, Tee Jay came off with an 8-4 victory . . . With scarcely half the season gone and the squad steadily improving, the outlook for the Diamond Nine is bright.

Fleet-Footed Thinclads

With veterans Frank Call, Howard Moss, and Bob Dunnington forming the nucleus, Tee Jay's track fortunes appear to be bright. In the early meets there have been outstanding performances by Jeff tracksters. Sophomore Butch Spiegel broke the State Group I 60-yard dash record with a time of 6.3 seconds, and weightman Call put the shot for a new school mark. Newcomers Al Elder and Paul Smith have also been consistent scorers, contributing to the one-sided victories over Hopewell and Hermitage. Tasting defeat only once thus far, the Belt Liners were overcome by a well-balanced Lane squad in Charlottesville. In the annual Tidewater Track meet at William and Mary the Jeffs rolled up 21 points and third place in the meet, with credit to Frank Call for two firsts in the discus and shot put, together with a strong showing in the short sprints. Tri-Captains of the squad are Call, Moss, and Dunnington.

BOYS' TENNIS

Although the '55 tennis squad was said by Coach Sam Woods to be a year away from great things, this early prediction has been proved wrong. Headed for another championship year, the Jeffs have highlighted their early matches with a victory over their arch-rival Woodberry Forest, 6-3, followed by a victory over St. Christopher's 8-1. Captained by Billy Cooper, a senior, the netters have been led by sophomore Bruce Sylvia and juniors Wayne Adams and Frank Glaser.

GIRLS' TENNIS

The asphalt courts at Byrd Park are again this year the scene of practice and matches of the girls' tennis team. Senior Letterholder Joanne Farr was chosen captain. Joyce Slavin, Jackie Shahda, and Doris Belcher are expected to claim top positions on the first ladder and thus be in line for awards at the end of the season. Matches are scheduled with St. Catherine's School, Collegiate School, Westhampton College, and Richmond Professional Institute.

The Mark of a Champion!

When a young man can face the business world with the same undaunted courage that he bucks the line in football, and can take the bumps that inevitably will come to him in business, and can keep his fighting spirit and keep smiling . . . then he has the mark of a champion. The world needs young men like this and the world will make way for them. The life insurance business needs such men, so why not prepare yourself for a career in the life insurance business. It's a business of opportunity for young men of ambition and vision.

PLANNING FOR FUTURE SECURITY

Throughout the nation this June, thousands of young men and women are graduating from high schools. Many of them look towards college educations and career opportunities which could not have been theirs except for life insurance purchased for them years ago by a loving parent or relative.

Life insurance guarantees many other personal and family ambitions, too, and its ownership will bring you the same satisfaction and security it now provides millions in all walks of life.

- To Dementi Studio, Caston Studio, The Jeffersonian, and Richmond Newspapers, Inc., for coming through with excellent pictures.
- To our advertisers, for helping in such an important way to produce the 1955 Monticello.
- To Mr. Ernest Shawen and the Tee Jay Library for the use of Mr. Shawen's scrapbook, so carefully kept during the first years of our school and used in celebrating the school's twenty-five years of growth.
- To our staff photographers and the entire literary and business staff for working so earnestly to record the school year in pictures and copy.
- To the students of Thomas Jefferson for being the subjects and inspiration of the Monticello.

Dear Betty,
It sure has been wonderful knowing such a smart, sweet, nice girl as you are all through school.
We have been in the same rooms ever since Miss Bauman's 1st grade. Remember the times we had in there. That seems like a hundred years ago.
Best of luck and success in anything you undertake!
Good luck!
Lucy

To that great little girl in my old home room who had more brains than all of us put together. If you do as well in the future, I know that you will succeed.

Good luck,
Bill Stairs
